Dear Ms. Horn and Ethics Board:

On September 10<sup>th</sup>, I qualified for the position of Coroner in East Feliciana. Before the end of September, the Secretary of State certified my unopposed election to Coroner in East Feliciana. At no time during that period did I have a campaign, a campaign apparatus, a campaign chairman, a campaign secretary, a campaign treasurer, a campaign treasury or a campaign bank. At no time during that period and to date have I solicited money from any source for a campaign. I have not taken money either. Therefore it is with dismay that I find I have been sited for a campaign ethics violation pertaining to the October 24<sup>th</sup> general election. I request that the \$480.00 fine levied be rescinded. There was no race for Coroner of East Feliciana on the October 24<sup>th</sup> general election day. The election of a Coroner was decided a month earlier when two other candidates were disqualified and I won appointment, unopposed. Thank you.

Regards,

Michael Cramer, M.D., F.C.A.P.
